- Increases surface traction on floor
- Packaging contains recycled material
- Free of phosphates and EDTA
- Free of phthalates and perfluorooctanoic acid (PFOA) derivatives
- Does not comprise of material originating from nonylphenol (NP)

### DESCRIPTION

- Removes soils, repairs high traffic areas, improves surface traction and leaves a brilliant shine
- Use with all types of electric, battery and propane burnishing equipment

### DIRECTIONS

1. Dust mop the floor to remove dirt and debris
2. Put out wet floor signs
3. Wash the floor with a ES86+ Spray Buff
4. Use any type of burnisher (1000-3000 rpm) using a natural hair pad
5. Apply a trigger spray head on ES86+ bottle and adjust to a stream
6. Spray in front of the machine as you walk, two sprays for every two steps while moving in a straight line
7. Walk the machine backwards over the same area. DO NOT spray ES86+ Spray Buff polish on the backwards pass
8. Rinse the floor pad and hang to dry
9. If a higher gloss is desired, repeat steps 5 and 6

### DISPOSAL

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

### PERSONAL PROTECTION

Please refer to product label and SDS
