DILUTIONS

Cold Water Only

For electric 175RPM Floor Machine

- (1:42 to 1:32 or 3 to 4 ounces/gal)

For Automatic Scrubbers

- Mix 1 part to 32 to 42 parts water

NOTE: Improper use of dilutions may cause this product not to work properly and may increase the risk of health effects.

DIRECTIONS

Application: For Electric 175RPM Floor Machine

- Apply liberally. Let sit 2 to 3 minutes. Work in small areas
- Scrub / double scrub with blue to black pad depending upon conditions
- Pick up with wet vac
- Rinse once, or twice, with water depending upon the conditions
- Once floor is dry, apply 2 coats of floor finish
- Not designed to use without machine action.

Application: Automatic Scrubbers

- Mix 1 part Deep Scrub to 32 to 42 parts water
- Apply solution but do not scrub on first pass
- Scrub floor with a blue to black pad, depending upon the conditions
- Scrub floor and pick up on second pass
- Do a thorough, clean water, damp mop rinse
- Once floor is dry, apply 2 coats of floor finish

CAUTION

When stripping linoleum, asphalt or rubber tiles, discoloration or softening may occur. Test small area first.

DISPOSAL

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.
