

# ServClean®

## RINSE

### PRODUCT INFORMATION SHEET

#### DESCRIPTION:

ServClean® Rinse is a neutral pH liquid additive providing rapid and streak free drying on all cleaned surfaces. This product provides exceptional wetting to promote spot-free drying of glassware and cutlery.

#### PRODUCT USE:

- For use in dish machines and glasswashers to eliminate spots, streaks and film on dishes, glassware and cutlery
- Minimizes the effect of high water hardness and high dissolved solids
- Can mitigate scaling and plugging of nozzles

**DILUTION:** Consult your Service Professional for specific recommendations

#### DIRECTIONS FOR USE:

1. Automatically dispenses into the washer throughout the appropriate auto dispensing system
2. Replace containers when empty
3. Rinse with potable water to remove residue on all materials that may contact meat and food products
